### **Auditor's Responsibility for the Statement**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Notes to the financial information for the quarter and year ended March 31, 2025**

- 1 The figures of the quarter ended March 31, 2025 and March 31, 2024 are the balancing figures between the audited figures in respect of the full financial year and the unaudited year to date figures upto the third quarter of the relevant financial years.
- 2 The financial results for the period ended March 31, 2025 has been reviewed and approved by the Audit Committee and approved by the Board of Directors at their meeting conducted on April 21, 2025.
- 3 The above financial results have been prepared as per format prescribed in Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
- 4 The Company had received a penalty notice from National Highways Authority of India (NHAI) who levied a penalty of Rs. 1,031.00 Lakhs on the Company for alleged delayed completion of the project's first periodic maintenance, later enhanced by CAG to Rs. 2,344.00 Lakhs. NHAI subsequently deducted Rs. 1,078.62 Lakhs, Rs. 1,430.48 Lakhs, Rs. 197.90 Lakhs and Rs.2264.90 Lakhs from the 18th, 22nd, 25th and 32nd annuities, respectively, towards penalty, non-fulfilment of O&M Obligations and non-curing of deficiencies in the time specified in Service Concession Agreement (CA) which is considered recoverable in the opinion of the management. The Company initiated arbitration, disputing the Concession Agreement's requirement for mandatory five-year periodic maintenance.  
On January 14, 2020, the Tribunal ruled against the Company, stating overlay work was required regardless of road condition and directed commencement of the second overlay by April 1, 2020 (completion by December 31, 2020) and the third by April 1, 2025. NHAI appealed to the Delhi High Court, challenging the extended timelines to commence and complete the second overlay work and third overlay work stating that such concession is not in accordance with Concession Agreement. The Tribunal also ordered NHAI to refund Rs. 1,078.62 Lakhs with interest at 12% pa, and Rs. 30.00 Lakhs plus arbitrator fees to cover litigation costs. NHAI appealed the refund order. The Company also filed an application with the Delhi High Court under Section 34 of the Arbitration and Conciliation Act, 1996, challenging the Tribunal's award to the extent of wrong interpretation of clause 4.3.1 of schedule 'I' to CA of the Concession Agreement regarding mandatory overlays and seeking reimbursement for overlay costs.  
The Delhi High Court, on April 6, 2022, upheld the Company's argument that overlays are only required when the roughness index exceeds 2000 mm/km, rejecting the Tribunal's ruling. It also upheld the Company's claim for reimbursement of first maintenance costs, directing the arbitrator to quantify the claim. The High Court further upheld other Tribunal awards favorable to the Company. NHAI has appealed under section 37(1)(c) of the Arbitration and Conciliation Act, 1996 this High Court order to a Division Bench of the Delhi High Court. On July 11, 2022, the Court directed a status quo.  
Further, the Delhi High Court had dismissed the company's Section 9 application as not maintainable on January 10, 2023. Consequently, the company invoked arbitration on May 5, 2023, seeking a refund of Rs. 1,430.48 Lakhs for wrongly withheld amounts while time to complete 2nd overlay as allowed by the Arbitral Tribunal was still available. Arbitral Tribunal has been constituted with Presiding arbitrator with two Co-arbitrators. During its initial sitting on November 1, 2023, the Arbitral Tribunal established a schedule for completing pleadings, which have since been finalized. On July 30, 2024, the Arbitral Tribunal indicated that the outcome of Section 37 appeals could impact the case and adjourned the matter pending a decision. However, on November 30, 2024, the Arbitral Tribunal, upon the Company's submissions, observed its prerogative to determine whether the Delhi High Court matter bears relevance to the arbitration. Final arguments are scheduled for hearing during April, 2025.  
As the matter is sub-judice, the Company has not yet recognized the potential financial benefit of the High Court order. Specifically, it has not reversed provisions for overlay costs or recognized a modification gain in its service concession receivables, pending the Division Bench's final decision. The modification gain and reversal of overlay cost provision, if any, will be accounted for upon resolution of NHAI's appeal.
- 5 The Additional Director General of GST Intelligence (DGGI), Hyderabad Zonal Unit, issued a Show Cause Notice (SCN) No. 05/2023-24(GST) dated April 28, 2023, to the Company, seeking to recover Rs.6,826.68 Lakhs in CGST and TGSST for the period September 2017 to September 2022 under Section 73(1) of the TGSST Act, 2017. The demand pertained to GST on annuity payments received from NHAI under a Build-Operate-Transfer (BOT) contract for road construction and maintenance services, as per the Service Concessionaire Agreement (SCA) dated March 31, 2006. The Company challenged the SCN before the Telangana High Court, arguing that the annuity payments were exempt under entry 23A of Notification 12/2017 Central Tax (Rate) for the period up to its withdrawal on January 1, 2023, via Notification No. 15/2022. The High Court initially issued a notice to the Respondent and directed that no coercive action be taken.  
The High Court, however, dismissed the writ petition on October 28, 2024. The Company then filed a Special Leave Petition (SLP) before the Supreme Court, which was disposed of on January 27, 2025, with a direction that the DG of GST Intelligence should not be influenced by the High Court's findings while deciding the show cause notice. Subsequently, on February 26, 2025, the office of the Commissioner of Central Tax, Central Excise and Service Tax, Medchal Commissionerate, Hyderabad (Authorities) has confirmed the demand for CGST of Rs.3,413.34 Lakhs and SGST of Rs.3,413.34 Lakhs on annuity payments received from the NHAI (for the period from September 2017 to September 2022) as deferred payments under the Build-Operate-Transfer (BOT) model, classifying the works contract services under SACS 9954, and imposed a penalty of Rs.682.67 Lakhs. The three months time limit from the date of communicating the order to file the appeal has not lapsed. The Company is currently filing a writ petition challenging the Authority's order.  
Management, relying on internal legal counsel, anticipates a favourable outcome regarding annuity payments and believes there will be no adverse financial impact on the Company, as any GST levied will be recovered from NHAI. Therefore, no adjustment has been made in the financial statements pending the matter's final
- 6 The Company has subscribed for 328 Unsecured 0.01% Compulsorily Convertible Debentures (CCDs) of face value of Rs.10,00,000/- each aggregating to Rs.3,280 Lakhs of GMR SEZ & Port Holdings Limited (GSPHL) on preferential basis on December 17, 2024 by converting equivalent amount of existing loans including interest accrued thereon.
